Knowing God, Knowing Myself Jul 17 2021 Bestselling author Cecil Murphey (90 Minutes in Heaven) has enraptured countless readers with his lyrical style and deft storytelling, selling millions of books and winning numerous awards. Yet behind the scenes of his successful career, Murphey is on a personal quest for a deeper knowledge of God and himself. Out of this thirst for the transcendent comes *Knowing God, Knowing Myself*, a collection of reflective statements captured with Murphey's inimitable style. These aphorisms are often surprising, meant to startle the reader out of "common wisdom" into uncommon meditation; the goal is God- and self-discovery. Whether readers begin with a desire to know God or to know themselves, *Knowing God, Knowing Myself* will invite them to discover how these two longings are inextricably entwined. As they reflect and journal through this unforgettable book, readers will experience a growing awareness of God's presence and a deepened inner life.

The Discovery of God Sep 30 2022 Fifty-three percent of the world's population practices Judaism, Christianity, and Islam, religions that all trace their lineage to the towering, quasi-mythological figure of Abraham. In this reverent biography of the man who invented—or discovered—God, David Klinghoffer disentangles history from myth and uncovers the profound impact of Abraham's message on his time and on the development of the modern world. *The Discovery of God* chronicles Abraham's life from his birth in Mesopotamia through his travels as preacher and missionary throughout the Middle East. Many of the primary sites of Abraham's life and career still exist, and Klinghoffer describes what they were like in ancient times and how they appear today. The tangible details of the polytheistic culture are re-created, showing how Abraham challenged the most basic beliefs of his contemporaries. He did not set out to establish the Jewish religion, but rather to spread the message of ethical monotheism as it was revealed to

him—a powerful message that deepened over time, as did his faith and relationship with God. In contrast to many scholars who, troubled by its contradictions and apparent errors, see the Bible as the work of a series of scribes and editors, Klinghoffer argues that the Bible should be viewed as an esoteric text that can only be comprehended in light of the oral tradition from which it emanated. Combining rigorous scholarship and interpretive ingenuity, he draws on biblical commentary and the Jewish oral tradition as preserved by sages from the Talmudic scholars to Maimonides to explore and explain the miraculous origins of monotheism. At a time when the world seems to be moving toward a renewed confrontation between the three great Abrahamic faiths, *The Discovery of God* is a potent reminder of the history and beliefs that unite them.

The Discovery of God Oct 20 2021 Unraveling history from myth, an illuminating portrait of Abraham, the first man to adopt the idea of one God, explores the revolutionary nature of his beliefs and the origins and common bonds of the three great monotheistic religions--Judaism, Christianity, and Islam.

Abraham and his discovery of God in Thomas Manns "Jakob und seine Brüder" Oct 27 2019 Essay from the year 2004 in the subject German - Discussion and Essays, grade: 92%, eqals 1,0, The University of Western Ontario, course: The bible and 20th century literature, 6 entries in the bibliography, language: English, abstract: In Thomas Mann's *Die Geschichten des Jakob*, the first novel in the tetralogy *Joseph und seine Brüder*, Jakob is presented to us in quite a bewildering way. He is in God's chosen lineage. We expect such a character to be dignified, a leader, a man of merit and virtue. But Jakob is in most points the opposite of this. He steals the birthright and his father's blessings from his older brother Esau. On the following flight he gets completely abused by the 16-year-old Eliphaz, a son of Esau. During his time with Laban, he gains great wealth through trickery and finally he again flees while Laban is away. Also, within his family Jakob appears highly selective in his preferences. But not only he but also God is morally doubtful. He liked the sacrifice of Abel better than the one of Cain; then he almost destroys all life on earth with the flood. His treatment of Sodom and Gomorra is quite extreme and finally he chose one particular lineage as his favorite one. That lineage starts with Abram. It is most peculiar, though, that Abram discovered God. Only because of this event Abram's lineage is God's chosen one. It is the actual discovery of God that constitutes Abram as the "Urvater", since of course Abram had ancestors himself; therefore it is not Abram as a person himself who is decisive for his status. But as we will see later on, it is doubtful that Abram was actually one historic person.

Chesed May 03 2020 Do you want the goodness and mercy of God to follow (pursue) you all the days of your life? The miraculous life stories and wisdom that Deborah Markowitz Solan shares in Chesed-A Jewish Woman's Discovery of God's Mercy will show you how. The COVID-19 pandemic and other national crises have a way of getting our attention. It was the assassination of President John F. Kennedy, Jr., in 1963, when Deborah was only five years old, that changed her life forever. She watched her mother collapse in uncontrollable grief, and she began to subconsciously think that no amount of happiness in life could outweigh the tragedy of suffering and death. Deb made dangerous and unhealthy life choices throughout her childhood and teenage years and lived a life without passion or purpose. All of that changed, however, when the God of her ancestors—the God of Abraham, Isaac, and Jacob—made Himself real to her, even when she did not know He existed.

Miracles Made Possible Oct 08 2020 A former avowed atheist relates the autobiographical story of his desperate plea to God for a miracle, and how that plea was answered again and again, describing the three step process of making actual personal miracles a reality. Original.

Stand Diving Into God's Words Apr 01 2020 The goal of this devotional series is to inspire teens to know God deeper and experience his heart of love through Scripture. The three books deal with God's word, God's wisdom, and God's way. The theme—individually and collectively—is to challenge each teen to give their whole life to His whole plan. This devotional on Psalm 119 is specifically designed to help teens fall in love with Scripture. Quick bites: This personal devotional series is an accessible, in-depth Bible study for teens. Though written by a seminary president, the big ideas are presented in a teen-friendly, transformational format centered on knowing who God is and how to relate to Him. Emphasizes personal application and the challenge to be intentional about reaching spiritual maturity. Fun facts about Bible history and culture. Based on the power of story—devotional teaching that's more like Jesus, rather than a textbook. Contains fun things like "Top 10" lists and other sidebar extras. Apologetics emphasis builds on the truths in Stand and Stand Strong in College.

Thirty Days in God's Word Aug 25 2019 The Bible can seem huge and intimidating for someone who has never read it. Where do you even start? How do you begin to understand each passage? Even those who use Scripture regularly sometimes find it difficult to understand how it all fits together. Journey through the sixty-six books of the Bible in thirty days. *Thirty Days in God's Word: A Path of Discovery* provides overviews and historic context of each book and points toward God's plan of salvation in Christ.

Discovery Apr 25 2022 MANY CHRISTIANS SPEND THEIR LIVES TRYING TO ACT RIGHT, THINK

RIGHT, AND PRAY RIGHT - BASED ON WHAT THEY'VE HEARD GOD EXPECTS - ONLY TO END UP FRUSTRATED, BURNED OUT, AND WONDERING "IS THIS REALLY WHAT GOD WANTS FOR HIS CHILDREN?" OTHER BELIEVERS FACE A PERPETUAL WRESTLING MATCH WITH GUILT, DOUBTS, AND QUESTIONS ABOUT THEIR FAITH. IT DOESN'T HAVE TO BE THAT WAY. MANY OF US RELY ON SECONDHAND INFORMATION TO UNDERSTAND THE KIND OF RELATIONSHIP GOD WANTS WITH US, INSTEAD OF LOOKING TO THE SCRIPTURES. YET IF WE TAKE A CLOSER LOOK, WE FIND THAT HE HAS GIVEN US THE ANSWERS TO MANY OF OUR DEEPEST QUESTIONS IN HIS WORD. DISCOVERY ADDRESSES MANY OF THESE QUESTIONS, GUIDING READERS THROUGH OLD AND NEW TESTAMENT PASSAGES TO FIND THE ANSWERS WE YEARN FOR. THOUGHTFUL QUESTIONS AT THE END OF EACH CHAPTER HELP US TAKE THE NEXT STEP - MOVING "HEAD KNOWLEDGE" TO "HEART KNOWLEDGE" AS WE DISCOVER HOW GOD'S ANSWERS APPLY PERSONALLY TO OUR LIVES. DISCOVERY HELPS REDIRECT THOSE WHO HAVE GROWN UP KNOWING ABOUT THE LORD, BUT WHO HAVE NOT EXPERIENCED THE DEEP, MEANINGFUL RELATIONSHIP HE WANTS WITH THEM. AND FOR NEW BELIEVERS, THIS STUDY WILL HELP THEM BEGIN THEIR WALK WITH GOD ON THE RIGHT FOOT. ALL BELIEVERS CAN EXPERIENCE JOY, PEACE, AND A SENSE OF GOD'S LOVE, EVEN IN THE MIDST OF A QUESTION-FILLED WORLD.

Throw Open the Floodgates Aug 06 2020 For generations we've been taught: Tithe to the church. Ironically, the Bible speaks of something entirely different. *Throw Open the Floodgates* chronicles how the author's personal journey to understand the tithe uncovered a new, refreshing portrait of our loving Heavenly Father. *Throw Open the Floodgates* takes you on a breathtaking journey through the scriptures and shows God's clear intention for giving and tithing for the modern-day church. What you read will both surprise and excite you. No longer will you view the tithe as a stale religious tax, but as a rich invitation to actively participate in a work that is completely in keeping with the gracious and loving nature of God. *Throw Open the Floodgates* will revolutionize your views of New Testament giving and the mission of the local church in the building of the Kingdom of God.

Behind the Tapestry Nov 08 2020 *Behind the Tapestry* is the compelling true story told from behind convent walls, of one woman's struggles to "make peace" with a mysterious chronic illness and her unfulfilled dream of being a Catholic nun. Maryanne was a 29 year old graphic designer working towards a lifelong desire to someday move to Hollywood and become an Academy Award winning art director. But an unexpected invitation to a Catholic prayer meeting would forever change Maryanne's life showing her desires she didn't know she possessed. After being abruptly fired from her job and spending a lot of time in prayer, Maryanne embarked on a journey to discover God's will for her life. This quest eventually led her to the Catholic Convent and the realization that all she's ever really wanted was to devote herself to Jesus. Entering Religious Life was all that Maryanne thought about for more than a year but there was a problem. She found herself plagued by a mysterious condition that caused widespread, chronic pain. However, in spite of this pain, Maryanne joined a group of Franciscan Sisters in 1999. Her life in the Convent was filled with many questions, struggles, challenges and a whole lot of physical pain. Then when already strained relationships with her superiors became even more fractured with the lines of communication practically severed, Sister Maryanne was forced to make a heart-wrenching decision. One that would not only impact her life but the lives of those around her. Should she remain in the Convent and go on to take final vows or leave her Religious Life behind and take care of herself instead?

Finding the Favor of God Sep 18 2021 Thoroughly biblical, *Finding the Favor of God* is filled with biblical and modern illustrations of people who were blessed for certain tasks. With insights gleaned from two decades as a pastor, and a daily, rigorous time with God, Floyd delves into various stations of life, from blue collar workers to white collar careers. Convinced that God is intensely interested in working His plan for the ages through mere humans, Floyd offers an inspiring read that will fire up millions to live out the will of God in their lives.

The Gift of Being Yourself Jul 25 2019 In the expanded edition of this profound exploration of Christian identity, David G. Benner illuminates the spirituality of self-discovery. He exposes the false selves that you may hide behind and calls you to discover the true self that emerges from your uniqueness in Christ. Deepen your experience of God through discovering the gift of being yourself.

When God Made Light Sep 26 2019 From the author and illustrator of the best-selling *When God Made You* comes a new illuminating message about God's design affirming young readers. "Let there be light!" that's what God said. And light began shining and then started to spread." Wild and creative illustrations from top children's illustrator David Catrow pair with Matthew Paul Turner's lyrical verse in this message of a God-made light that cuts through darkness to bring vision and hope to all young readers. This light radiates, chasing away the shadows, providing the wonder and fun of stargazing or firefly chasing. Most important, this light appears in each child--an inner God-given spark that grows and will be used to change the world.

Quest for Discovery Dec 10 2020 From the moment of the original sin, our eyes have been veiled from seeing God while in our mortal forms. Many scientists denounce the existence of God because of this inability to see him. Without that proof, some think we must rely on faith alone. Philosophy is a tool for discovering the truth, and with it we can go beyond faith. Author Liz Barnor spent many years wishing to deepen her personal relationship with God. She wanted her own vision or testimony that could serve as the foundation for her faith. But her knowledge of God's existence was solidified by tracing a lineage back to the Holy Trinity, to Jesus and his father. Jesus came to the Earth in human form to discover how humanity had become so steeped in sin. He had made a pact with his father to spill his own blood to ensure our redemption. Jesus's time on Earth and his return to the heavens prove without a doubt that God is real. In this groundbreaking book, the full biblical argument is revealed. By using the gifts he has given us--freedom of will and intellectual reasoning--we can understand his existence even without seeing him.

Discovery Jan 29 2020 Many Christians spend their lives trying to act right, think right, and pray right - based on what they've heard God expects - only to end up frustrated, burned out, and wondering "is this really the kind of relationship God wants for his children?" Other believers face a perpetual wrestling match with guilt, doubts, and questions about their faith. It doesn't have to be that way. Many of us rely on secondhand information to understand the kind of relationship God wants with us, instead of looking to the scriptures. Yet if we take a closer look, we find that He has given us the answers to many of our deepest questions in his word. *Discovery* addresses many of these questions, guiding readers through Old and New Testament passages to find the answers we yearn for. Thoughtful questions at the end of each chapter help us take the next step - moving "head knowledge" to "heart knowledge." *Discovery* helps redirect those who have grown up knowing about the lord, but who have not experienced the deep, meaningful relationship He wants with them. And for new believers, this study will help them begin their walk with God on the right foot. All believers can experience joy, peace, and a sense of God's love, even in the midst of a question-filled world. **ORIGINALLY PUBLISHED BY NAVIGATOR'S DAWSON MEDIA.** They said: All Bible studies seem alike. They're beneficial, but they don't address the key issues and questions of our lives today. *Discovery* does this, and it changes lives in the process. This is for anyone who's done "Experiencing God" and is looking for more.

Brahman: The Discovery of the God of Abraham Apr 13 2021

The Discovery of God Jun 27 2022 The debate between theist and atheist is an old one and has recently become a highly publicized one. There are some well known proponents of arguments on both sides. To provide a different perspective this book takes a psychoanalytically based evolutionary view, presenting an entirely original theoretical concept. It introduces an epigenetic component to the discussion of God/no God within the context of evolutionary processes at the point where a thinking brain appears -- a cerebral cortex characteristic of hominids. Therefore, it joins evolutionary phenomena with psychological realities for survival and safety, for empowerment and the absence of disempowerment. Research is cited to show that such instinctive survival behavior involves several prototypical behavioral categories relevant to all organisms from amoeba to man. Freud, Darwin, Gould, and the major historical figures of the God/no

God debate are included throughout, and the point is made that environmental conditions can produce biological effects and this is the essence of the proposed epigenetical context of the debate. Therefore, this volume concerns itself with exploring the question of whether there is a God-gene or whether God is discovered epigenetically in a psycho/evolutionary context. In either case, this book does not argue for the existence or non-existence of God. Rather, it introduces a new dimension to the debate – a psycho/evolutionary one.

Discovery of God Nov 20 2021 This is a book on religious philosophy, giving history of all religions of the world. It gives the views of atheists, theists, agnostics, philosophers like Plato, Kant, Hegel, all prophets and thinkers like Bertand Russel. In the name of religion we find disturbance of peace . Writer has given solution to it, in Chapter 13. The appendix gives “essence of Bhagawat Geeta”. Observing those principles, we can create a better and peaceful society. All religions respect non-violence, truth, peace, cleanliness, etc which are divine acquisitions, and they deride over-indulgence in sex, anger, arrogance, greed, ego, and laziness as qualities of demonic person. If all people meditate together, this will be emphasized and help to develop understanding and peace on the planet. Children are also to be brought up inculcating these laudable thoughts.

In Search of God Dec 30 2019 In Search of God invites you to enhance your faith in a new way. J. Gregory Steiner draws on his personal and religious life as a vehicle to seek wisdom on the nature of God, divinity, the Son of God, and eternity. He considers questions such as: - How can Christians express new ideas without being disowned as true believers? - Does faith need to move in a new direction to attract people searching for God in their lives? - Should our understanding of dogma and doctrine change as we grow into adulthood and beyond? It is easy to discuss, on a philosophical and theological level, the need to change our ideas about creation, incarnation, and redemption in today's world. However, it is quite a challenge to deal with these needs from a kneeling position in a church pew. Join the author as he explores how to navigate questions about religion and move the church forward.
