English Private Law Apr 01 2020 Now in its third edition, this work has established itself as a key point of reference on English private law for lawyers in the UK and throughout the world. The book acts as an accessible first point of reference for practitioners approaching a private law issue for the first time, whilst simultaneously providing a lucid, concise and authoritative overview of all the key areas of private law. This includes contract, tort, unjust enrichment, land law, trusts, intellectual

property, succession, family, companies, insolvency, private international law and civil procedure. Each section is written by an acknowledged expert, using their experience and understanding to provide a clear distillation and analysis of the subject. This new edition includes all the recent developments since the publication of the second edition in 2007. It covers some areas that were previously not addressed including arbitration in civil procedure, the Human Rights Act 1998 in tort law, and regulatory reform in the light of the global financial crisis. No other single text provides such comprehensive and lucid coverage of the whole of English private law as this one. It has come to be regarded as an essential item for every law library, reflecting its appeal to both English practitioners and those working in other jurisdictions. At the same time the book's depth of analysis, combined with its ease of reference, make it a favourite among academics and students worldwide.

Essays in International Litigation and the Conflict of Laws May 03 2020 This is the paperback edition of Lawrence Collins' very well received hardback *Essays in International Litigation and the Conflict of Laws*. The book offers academics and practitioners a selection of the best essays written over a twenty-year period, updated where necessary with introductory prefaces outlining the most important subsequent developments. Among the highlights

is a report of the author's recent Hague lecture on Provisional and Protective Measures in International Litigation. Scholarly and incisive, these essays will be required reading for all academics and practitioners interested in international litigation.

Shipbrokers and the Law Mar 13 2021 This text provides an explanation of the responsibilities and liabilities of the shipbroker, both in direct contact with principles and as part of a chain of other brokers. Highlighting legal questions arising from ways in which the broker's business is done, issues addressed in this book include potential legal liabilities as well as common negligence claims. The book also deals with the shipbroker's entitlement to commission and the problems associated with litigation in this area. It is suitable for ship owners, charterers, agents and marine consultants, as well as brokers.
