*Out of Many One* Jul 31 2022 "Out of Many One" is a proclamation that can intrinsically trigger an unprecedented economic, social and political awareness in the United States. It is about a political capital claim capable of bankrupting any nation that values truth, even at a high price. This book will encourage you to reflect on some of the current problems in Haiti, my so-called third world country. Haiti has long since been subjected to the effects of denying this costly truth. President Bush writes to me, in a letter dated June 4, 2004, "So all of us owe you a 'deep debt' of gratitude for your support." How deep is this debt? Can you or I attribute value to this "deep debt" or value in a medal of merit awarded to you by the president himself? I believe we can because the medal has its own intrinsic values that are not just sentimental, as in a memorabilia. It is a manifestation of intent to pierce the matrix of illusions that politicians created, with power as the common denominator. This thought-provoking study focuses on values and unveils deeper logic by tying historical events to the concepts of merit and justice, and freedom versus tyranny. In other words, it integrates facts and concepts to create values. This lays evidence for my hypothesis, my purported, well-pleaded claim. Out of Many One essentially blasts through all the political illusions that have existed since the beginning of civilization. It opens your eyes and cuts through that matrix of appearances to reveal the true essence of one specific thing, i.e., a simple medal of merit. Such an endeavor requires profound honesty. The key to my hypothesis is not only a focus on the monetary values of the subject matter but also a focus on honesty and all the many other values pertaining to it. This is a "must read" book, which brings light to what is, in reality, truth. - Dufort

**Singing the Lord's Song in a Strange Land** Jul 27 2019 From the earliest meetings of the Civil Rights Movement to offering the benediction for the first African American President of the United States, Rev. Dr. Joseph Lowery has been an eyewitness to some of the most significant events in our history. But, more important, he has been a voice that speaks truth to power--inspiring change that moves us forward. In Singing the Lord's Song in a Strange Land, you will find Dr. Lowery's most enduring speeches and messages from the past fifty years including Coretta Scott King's funeral and the benediction given at President Obama's inauguration. This book, however, is not simply a collection of words. It is the heart of a movement and a call to a new generation to carry the mantle--for all people.

[Presidential Lottery](#) Apr 27 2022 Examines the American system for electing a President and Vice-President, its dangers, and possible methods of improvement

**Presidential Lottery The Reckless Gamble in Our Electoral System** Aug 08 2020 Because of the results of the 2016 election, many Americans want to change the system. However, the reason the system has not been changed and cannot be changed goes back to the reasons the system was adopted in the first place.

*Trumponomics* Sep 20 2021 Donald Trump promised the American people a transformative change in economic policy after eight years of stagnation under Obama. But he didn't adopt a conventional left or right economic agenda. His is a new economic populism that combines some conventional Republican ideas--tax cuts, deregulation, more power to the states--with more traditional Democratic issues such as trade protectionism and infrastructure spending. It also mixes in important populist issues such as immigration reform, pressuring the Europeans to pay for more of their own defense, and keeping America first. In Trumponomics, conservative economists Stephen Moore and Arthur B. Laffer offer a well-informed defense of the president's approach to trade, taxes, employment, infrastructure, and other economic policies. Moore and Laffer worked as senior economic advisors to Donald Trump in 2016. They traveled with him, frequently met with his political and economic teams, worked on his speeches, and represented him as surrogates. They are currently members of the Trump Advisory Council and still meet with him regularly. In Trumponomics, they offer an insider's view on how Trump operates in public and behind closed doors, his priorities and passions, and his greatest attributes and liabilities. Trump is betting his presidency that he can create an economic revival in America's industrial heartland. Can he really bring jobs back to the rust belt? Can he cut taxes and bring the debt down? Above all, does he have the personal discipline, the vision, the right team, and the right strategy to pull off his ambitious economic goals? Moore and Laffer believe that he can pull it off and that Trumponomics will usher in a new era of prosperity for all Americans.

[Open Wide The Freedom Gates](#) Sep 01 2022 Dorothy Height marched at civil rights rallies, sat through tense White House meetings, and witnessed every major victory in the struggle for racial equality. Yet as the sole woman among powerful, charismatic men, someone whose personal ambition was secondary to her passion for her cause, she has received little mainstream recognition--until now. In her memoir, Dr. Height, now ninety-one, reflects on a life of service and leadership. We witness her childhood encounters with racism and the thrill of New York college life during the Harlem

Renaissance. We see her protest against lynchings. We sit with her onstage as Martin Luther King Jr. delivers his "I Have a Dream" speech. We meet people she knew intimately throughout the decades: W.E.B. DuBois, Marcus Garvey, Eleanor Roosevelt, Mary McLeod Bethune, Adam Clayton Powell Sr., Langston Hughes, and many others. And we watch as she leads the National Council of Negro Women for forty-one years, her diplomatic counsel sought by U.S. Presidents from Eisenhower to Clinton. After the fierce battles of the 1960s, Dr. Height concentrates on troubled black communities, on issues like rural poverty, teen pregnancy and black family values. In 1994, her efforts are officially recognized. Along with Rosa Parks, she receives the Presidential Medal of Freedom, the nation's highest civilian honor.

**Liberty's Nemesis** Jan 13 2021 If there has been a unifying theme of Barack Obama's presidency, it is the inexorable growth of the administrative state. Its expansion has followed a pattern: First, expand federal powers beyond their constitutional limits. Second, delegate those powers to agencies and away from elected politicians in Congress. Third, insulate civil servants from politics and accountability. Since its introduction in American life by Woodrow Wilson in the 20th Century, the administrative state's has steadily undermined democratic self-government, reduced the sphere of individual liberty, and burdened the free market and economic growth. In *Liberty's Nemesis*, Dean Reuter and John Yoo collect the brightest political minds in the country to expose this explosive, unchecked growth of power in government agencies ranging from health care to climate change, financial markets to immigration, and more. Many Americans have rightly shared the Founders' fear of excessive lawmaking, but *Liberty's Nemesis* is the first book to explain why the concentration of power in administrative agencies in particular is the greatest - and most overlooked - threat to our liberties today. If we fail to curb it, our constitutional republic might easily devolve into something akin to the statist governments of Europe. President Obama's ongoing efforts to encourage just such a devolution, and the problems his administration faces as a consequence, present a critical opportunity to defend the original vision of the Constitution.

**Presidents and Prophets** Aug 27 2019 From Washington to Bush, each American president and his relationship with the Mormons is explored as the Church of Jesus Christ of Latter-day Saints rises from obscurity to become a major political influence.

**Barack and Joe** Apr 15 2021 A Washington Post 2019 Notable Selection A vivid and inspiring account of the "bromance" between Barack Obama and Joe Biden. The extraordinary partnership of Barack Obama and Joe Biden is unique in American history. The two men, their characters and styles sharply contrasting, formed a dynamic working relationship that evolved into a profound friendship. Their affinity was not predestined. Obama and Biden began wary of each other: Obama an impatient freshman disdainful of the Senate's plodding ways; Biden a veteran of the chamber and proud of its traditions. Gradually they came to respect each other's values and strengths and rode into the White House together in 2008. Side-by-side through two tension-filled terms, they shared the day-to-day joys and struggles of leading the most powerful nation on earth. They accommodated each other's quirks: Biden's famous miscues kept coming, and Obama overlooked them knowing they were insignificant except as media fodder. With his expertise in foreign affairs and legislative matters, Biden took on an unprecedented role as chief adviser to Obama, reshaping the vice presidency. Together Obama and Biden guided Americans through a range of historic moments: a devastating economic crisis, racial confrontations, war in Afghanistan, and the dawn of same-sex marriage nationwide. They supported each other through highs and lows: Obama provided a welcome shoulder during the illness and death of Biden's son Beau. As many Americans turn a nostalgic eye toward the Obama presidency, *Barack and Joe* offers a new look at this administration, its absence of scandal, dedication to truth, and respect for the media. This is the first book to tell the full story of this historic relationship and its substantial impact on the Obama presidency and its legacy.

**Freedom in Exile** Jul 19 2021 In this astonishingly frank autobiography, the Dalai Lama reveals the remarkable inner strength that allowed him to master both the mysteries of Tibetan Buddhism and the brutal realities of Chinese Communism.

**John Lewis** Apr 03 2020 The civil rights movement of the 1960s brought John Lewis out of anonymity. As one of the "Big Six" leaders of the civil rights movement, he participated in the March on Washington as the youngest speaker of the event. Even after the Civil Rights Act and Voting Rights Act were passed, Lewis continued to fight for civil rights. Readers will learn that today he represents Georgia in the House of Representatives and has advocated for healthcare reform, improvements to education, and reducing poverty. This biography shows that Lewis serves as a role model for young people throughout the country by fighting equal rights for all.

**This Child Will Be Great** Nov 10 2020 In January 2006, after the Republic of Liberia had been racked by fourteen years of brutal civil conflict, Ellen Johnson Sirleaf—Africa's "Iron Lady"—was sworn in as president, an event that marked a tremendous turning point in the history of the West African nation. In this stirring memoir, Sirleaf shares the inside story of her rise to power, including her early childhood; her experiences with abuse, imprisonment, and exile; and her fight for democracy and social justice. This compelling tale of survival reveals Sirleaf's determination to succeed in multiple worlds: from her studies in the United States to her work as an international bank executive to her election campaigning in some of Liberia's most desperate and war-torn villages and neighborhoods. It is also the story of an outspoken political and social reformer who, despite danger, fought the oppression of dictators and championed change. By sharing her story, Sirleaf encourages women everywhere to pursue leadership roles at the highest levels of power, and gives us all hope that, with perseverance, we can change the world.

**Rome 1960** Jan 31 2020 An account of the 1960 Summer Olympics in Rome reveals the competition's unexpected influence on the modern world, in a narrative synopsis that pays tribute to such athletes as Cassius Clay and Wilma Rudolph while evaluating the roles of Cold War propaganda, civil rights, and politics. 250,000 first printing.

**Renegades** May 05 2020 THE NEW YORK TIMES BESTSELLER - AND THE GIFT THAT WILL BE ON EVERY BRUCE AND BARACK FAN'S WISHLIST THIS CHRISTMAS! Two long-time friends share an intimate and urgent conversation about life, music and their enduring love of America, with all its challenges and contradictions, in this stunningly-produced expansion of their ground-breaking Higher Ground podcast, featuring more than 350 photographs, exclusive bonus content, and never-before-seen archival material. *Renegades: Born in the USA* is a candid, revealing, and entertaining dialogue between President Barack Obama and legendary musician Bruce Springsteen that explores everything from their origin stories and career-defining moments to their country's polarized politics and the growing distance between the American Dream and the American reality. Filled with full-colour photographs and rare archival material, it is a compelling and beautifully illustrated portrait of two outsiders—one Black and one white-looking for a way to connect their unconventional searches for meaning, identity, and community with the American story itself. It includes: · Original introductions by President Obama and Bruce Springsteen · Exclusive new material from the *Renegades* podcast recording sessions · Obama's never-before-seen annotated speeches, including his "Remarks at the 50th Anniversary of the Selma to Montgomery Marches" · Springsteen's handwritten lyrics for songs spanning his 50-year-long career · Rare and exclusive photographs from the authors' personal archives · Historical photographs and documents that provide rich visual context for their conversation. In a recording studio stocked with dozens of guitars, and on at least one Corvette ride, Obama and Springsteen discuss marriage and fatherhood, race and masculinity, the lure of the open road and the call back to home. They also compare notes on their favourite protest songs, the most inspiring American heroes of all time, and more. Along the way, they reveal their passion for—and the occasional toll of—telling a bigger, truer story about America throughout their careers, and explore how their fractured country might begin to find its way back toward unity.

**Hope Never Dies** Jan 01 2020 The New York Times Best Seller "[*Hope Never Dies* is] an escapist fantasy that will likely appeal to liberals pining for the previous administration, longing for the Obama-Biden team to emerge from political retirement as action heroes."—Alexandra Alter, New York Times Vice President Joe Biden and President Barack Obama team up in this high-stakes thriller that combines a mystery worthy of Watson and Holmes with the laugh-out-loud bromantic chemistry of *Lethal Weapon's* Murtaugh and Riggs. Vice President Joe Biden is fresh out of the Obama White House and feeling adrift when his favorite railroad conductor dies in a suspicious accident, leaving behind an ailing wife and a trail of clues. To unravel the mystery, "Amtrak Joe" re-teams with the only man he's ever fully trusted: the 44th president of the United States. Together they'll plumb the darkest corners of Delaware, traveling from cheap motels to biker bars and beyond, as they uncover the sinister forces advancing America's opioid epidemic. Part noir thriller and part bromance, *Hope Never Dies* is essentially the first published work of Obama/Biden fiction—and a cathartic read for anyone distressed by the current state of affairs.

**Renegades** May 17 2021 NEW YORK TIMES BESTSELLER • Two longtime friends share an intimate and urgent conversation about life, music, and their enduring love of America, with all its challenges and contradictions, in this stunningly produced expansion of their groundbreaking Higher Ground podcast, featuring more than 350 photographs, exclusive bonus content, and never-before-seen archival material. *Renegades: Born in the USA* is a candid, revealing, and entertaining dialogue between President Barack Obama and legendary musician Bruce Springsteen that explores everything from their origin stories and career-defining moments to our country's polarized politics and the growing distance between the American Dream and the American reality. Filled with full-color photographs and rare archival material, it is a compelling and beautifully illustrated portrait of two outsiders—one Black and one white—looking for a way to connect their unconventional searches for meaning, identity, and community with the American story itself. It includes: • Original introductions by President Obama and Bruce Springsteen • Exclusive new material from the *Renegades* podcast recording sessions • Obama's never-before-seen annotated speeches, including his "Remarks at the 50th Anniversary of the Selma to Montgomery Marches" • Springsteen's handwritten lyrics for songs spanning his 50-year-long career • Rare and exclusive photographs from the authors' personal archives • Historical photographs and documents that provide rich visual context for their conversation In a recording studio stocked with dozens of guitars, and on at least one Corvette ride, Obama and Springsteen discuss marriage and fatherhood, race and masculinity, the lure of the open road and the call back to home. Along the way, they reveal their passion for—and the occasional toll of—telling a bigger, truer story about America throughout their careers, and explore how our fractured country might begin to find its way back toward unity and global leadership.

**My Remarkable Journey** Oct 29 2019 The remarkable woman at heart of the smash New York Times bestseller and Oscar-winning film *Hidden Figures* tells the full story of her life, including what it took to work at NASA, help land the first man on the moon, and live through a century of turmoil and change. In 2015, at the age of 97, Katherine Johnson became a global celebrity. President Barack Obama awarded her the prestigious Presidential Medal of Freedom—the nation's highest civilian honor—for her pioneering work as a mathematician on NASA's first flights into space. Her contributions to America's space program were celebrated in a blockbuster and Academy-award nominated movie. In this memoir, Katherine shares her personal journey from child prodigy in the Allegheny Mountains of West Virginia to NASA human computer. In her life after retirement, she served as a beacon of light for her family and community alike. Her story is centered around the basic tenets of her life—no one is better than you, education is paramount, and asking questions can break barriers. The memoir captures the many facets of this unique woman: the curious "daddy's girl," pioneering professional, and sage elder. This multidimensional portrait is also the record of a century of racial history that reveals the influential role educators at segregated schools and Historically Black Colleges and Universities played in nurturing the dreams of trailblazers like Katherine. The author pays homage to her mentor—the African American professor who inspired her to become a research mathematician despite having his own dream crushed by racism. Infused with the uplifting wisdom of a woman who handled great fame with genuine humility and great tragedy with enduring hope, *My Remarkable Journey* ultimately brings into focus a determined woman who navigated tough racial terrain with soft-spoken grace—and the unrelenting grit required to make history and inspire future generations.

**CQ's Desk Reference on the Presidency** Jun 05 2020 Provides answers to over five hundred commonly asked questions about state government; grouped in the categories of the states, governorship, legislatures, campaigns and elections, state courts, and facts and figures; and includes profiles of individual states.

**The Presidential Medal of Freedom** Nov 03 2022 Provides brief biographies of over three hundred winners of the Presidential Medal of Freedom, which was established by President Kennedy in 1963

**Joe Biden** Feb 11 2021 Joe Biden briefly worked as an attorney before turning to politics. He became the fifth-youngest U.S. senator in history as well as Delaware's longest-serving senator. His 2008 presidential campaign never gained momentum, but Democratic nominee Barack Obama selected him as his running mate, and Biden went on to serve two terms as the 47th vice president of the United States. In 2017, at the close of his administration, Obama presented Biden with the Presidential Medal of Freedom. Two years later Biden launched his campaign for U.S. president and was elected as the 46th president of the United States. "Spread the faith, God love you all, may God bless America and may God protect our troops." - Joe Biden This is Joe Biden's descriptive and concise biography.

**David McCullough: The Presidential Biographies** Jan 25 2022 From "one of our most gifted living writers" (The Washington Post), this collection includes David McCullough's masterful biographies of three great presidents: John Adams, Harry S. Truman, and Theodore Roosevelt. Both John Adams and Truman won the Pulitzer Prize for biography. This boxed set will include the following three volumes: *John Adams* The Pulitzer Prize-winning, bestselling biography of America's founding father and second president that was the basis for the acclaimed HBO series, *John Adams* reads like an epic historical novel, breathing fresh life into the history of the American Revolution and the birth of the young republic. *Truman* The Pulitzer Prize-winning biography of Harry S. Truman, whose presidency included momentous events from the atomic bombing of Japan to the outbreak of the Cold War and the Korean War. *Mornings on Horseback* The National Book Award-winning biography that tells the story of how young Teddy Roosevelt transformed himself from a sickly boy into the vigorous man who would become a war hero and ultimately president of the United States.

**The President's Medal, 1789-1977** Mar 27 2022

**From the Heart of the Crow Country** Jun 17 2021 The oral historian of the Crow tribe collects stories which introduce the world of the Crow Indians, including its legends, humorous tales, history, and everyday life.

**The American Spirit** Mar 03 2020 A timely collection of speeches by David McCullough, the most honored historian in the United States—winner of two Pulitzer Prizes, two National Book Awards, and the Presidential Medal of Freedom, among many others—that reminds us of fundamental American principles. "Insightful and inspirational, *The American Spirit* summons a vexed and divided nation to remember—and cherish—our unifying ideas and ideals" (Richmond Times-Dispatch). Over the course of his distinguished career, McCullough has spoken before Congress, the White House, colleges and universities, historical societies, and other esteemed institutions. Now, at a time of self-reflection in America following the bitter 2016 election campaign that has left the country divided, McCullough has collected some of his most important speeches in a brief volume that celebrates the important principles and characteristics that are particularly American. "The American Spirit is as inspirational as it is brilliant, as simple as it is sophisticated" (Buffalo News). McCullough reminds us of the core American values that define us, regardless of which region we live in, which political party we identify with, or our ethnic background. This is a book about America for all Americans that reminds us who we are and helps to guide us as we find our way forward.

**Coach Wooden and Me** Sep 28 2019 Former NBA star and Presidential Medal of Freedom recipient Kareem Abdul-Jabbar explores his 50-year friendship with Coach John Wooden, one of the most enduring and meaningful relationships in sports history. When future NBA legend Kareem Abdul-Jabbar was still an 18-year-old high school basketball prospect from New York City named Lew Alcindor, he accepted a scholarship from UCLA largely on the strength of Coach John Wooden's reputation as a winner. It turned out to be the right choice, as Alcindor and his teammates won an unprecedented three NCAA championship titles. But it also marked the beginning of one of the most extraordinary and enduring friendships in the history of sports. In *Coach Wooden and Me*, Abdul-Jabbar reveals the inspirational story of how his bond with John Wooden evolved from a history-making coach-player mentorship into a deep and genuine friendship that transcended sports, shaped the course of both men's lives, and lasted for half a century. *Coach Wooden and Me* is a stirring tribute to the subtle but profound influence that Wooden had on Kareem as a player, and then as a person, as they began to share their cultural, religious, and family values while facing some of life's biggest obstacles. From his first day of practice, when the players were taught the importance of putting on their athletic socks properly; to gradually absorbing the sublime wisdom of Coach Wooden's now famous "Pyramid of Success"; to learning to cope with the ugly racism that confronted black athletes during the turbulent Civil Rights era as well as losing loved ones, Abdul-Jabbar fondly recalls how Coach Wooden's fatherly guidance not only paved the way for his unmatched professional success but also made possible a lifetime of personal fulfillment. Full of intimate, never-before-published details and delivered with the

warmth and erudition of a grateful student who has learned his lessons well, *Coach Wooden and Me* is at once a celebration of the unique philosophical outlook of college basketball's most storied coach and a moving testament to the all-conquering power of friendship. Instant New York Times and USA Today Bestseller President Barack Obama's Favorite Book of 2017 A Boston Globe and Huffington Post Best Book of 2017 Pick *Dolores Huerta Stands Strong* Jun 25 2019 Today, we know Dolores Huerta as the cofounder, with Cesar Chavez, of the National Farmworkers Association, which later became the United Farm Workers of America. We know her as a tireless advocate for the rights of farmworkers, Mexican American immigrants, women, and LGBTQ populations. And we know her as the recipient of the Presidential Medal of Freedom from Barack Obama in 2012. Before all that, though, Huerta was a child in the farming community of Stockton, California, and then a teenager whose teachers underestimated her because she was Chicana. When she became a teacher herself, she witnessed her students coming to school shoeless and hungry. Many took days off from school to work in the farm fields to help feed their families. What could she do to help them? A young mother at the time, Huerta quit her teaching job to organize their parents. That began her journey to educate a nation about who produces our food and the conditions under which they work. *Dolores Huerta Stands Strong* follows Huerta's life from the mining communities of the Southwest where her father toiled, to the vineyards and fields of California, and across the country to the present day. As she worked for fair treatment for others, Dolores earned the nation's highest honors. More important, she found her voice.

*Bobos in Paradise* Dec 12 2020 In his bestselling work of "comic sociology," David Brooks coins a new word, Bobo, to describe today's upper class—those who have wed the bourgeois world of capitalist enterprise to the hippie values of the bohemian counterculture. Their hybrid lifestyle is the atmosphere we breathe, and in this witty and serious look at the cultural consequences of the information age, Brooks has defined a new generation. Do you believe that spending \$15,000 on a media center is vulgar, but that spending \$15,000 on a slate shower stall is a sign that you are at one with the Zenlike rhythms of nature? Do you work for one of those visionary software companies where people come to work wearing hiking boots and glacier glasses, as if a wall of ice were about to come sliding through the parking lot? If so, you might be a Bobo.

**A Gathering of Old Men** Oct 22 2021 A powerful depiction of racial tensions arising over the death of a Cajun farmer at the hands of a black man--set on a Louisiana sugarcane plantation in the 1970s. The Village Voice called *A Gathering of Old Men* "the best-written novel on Southern race relations in over a decade."

Negro President Nov 30 2019 Offers a provocative look at the presidency of Thomas Jefferson, discussing the relationship between his administration's decisions and the power of the slave states, as well as the opposition of Timothy Pickering.

**Conversations with Kennedy** Aug 20 2021 Distinguished journalist Benjamin C. Bradlee's intimate biography of President John F. Kennedy and his Camelot years. *Conversations with Kennedy* is legendary reporter and executive Benjamin C. Bradlee's account of his intimate dialogues with JFK—a man he counted as a confidante and friend. Beginning in 1958, when Kennedy was a US senator running for president, and continuing until 1963, the year that Kennedy died, Bradlee shared a close professional and personal relationship with the charismatic politician. Both men were war veterans, idealists, and up-and-coming American leaders, and they shared values that drove their friendship. Kennedy was a politician equally at home with the bruising intellects he appointed to government posts and his working-class constituents. He respected his complicated father, understood his brothers, admired women, and had few illusions about human nature. Bradlee's eye for detail reveals JFK's views on everything from Communism to conservatism to freedom of the press. From parties at the White House to weekends at Palm Beach to JFK's enduring influence on Bradlee's own life, this is an in-depth, behind-the-scenes look at the man behind a myth, written by a giant of American journalism.

**The Angel of Dien Bien Phu** Sep 08 2020 A Presidential Medal of Freedom winner recounts her time as the only woman among some 11,000 French defenders at Dien Bien Phu in Vietnam, a time when, as a flight nurse for the French air force, she relentlessly and selflessly tended to countless wounded as the battle raged on.

**Presidential Deal** May 29 2022 In the fifth installment of the series, Deal is being awarded the Presidential Medal of Valor, and as a campaign gimmick, the presentation ceremony is held in Miami. During the ceremony, terrorists interrupt with machine gun fire, and Deal and the First Lady are taken captive.

**Medal of Honor** Mar 15 2021 The powerful story of one man's fight against bigotry, paralysis, and his war enemy that led to the Medal of Honor

**Presidential Deal** Dec 24 2021 DIVIn the fifth installment of the series, Deal is being awarded the Presidential Medal of Valor, and as a campaign gimmick, the presentation ceremony is held in Miami. During the ceremony, terrorists interrupt with machine gun fire, and Deal and the First Lady are taken captive./div

**Medals of the United States Mint** Oct 02 2022

Presidential Lottery Oct 10 2020 In this eye-opening nonfiction account, world-renowned author James A. Michener details the reckless gamble U.S. voters make every four years: trusting the electoral college. In 1968, Michener served as a presidential elector in Pennsylvania. What he witnessed that fall disturbed him so much that he felt compelled to expose the very real potential in this system for a grave injustice with history-altering consequences. Incorporating the wide-ranging insight and universal compassion of Michener's bestselling novels, *Presidential Lottery* is essential reading for every American concerned about the ever-growing rift between the people and the political process. Praise for *Presidential Lottery* "Clear, concise, and sensible . . . a thoughtful book on how Americans choose their President."—The New York Times "An urgent appeal."—Kirkus Reviews
