**People Farm** Nov 10 2020 People Farm tells the true story of a brilliant man whose tragic flaws destroy him, and the young man who wants nothing more than to be like his mentor. Is Rancho Vista the cradle of unconditional love or a wilderness sex cult? Dr. Cyrus Aaron calls the Ranch his “human relations laboratory.” Is he a courageous advocate for youth or a psychopathic predator? Dr. Aaron’s young protégés believe he is their savior, but are horrified by what they do with the power he gives them. Aaron’s star pupil Steve yearns to be like his brilliant mentor. But growing up means becoming himself instead.

Funny Farm Apr 15 2021 An inspiring and moving memoir of the author's turbulent life with 600 rescue animals. Laurie Zaleski never aspired to run an animal rescue; that was her mother Annie’s dream. But from girlhood, Laurie was determined to make the dream come true. Thirty years later as a successful businesswoman, she did it, buying a 15-acre farm deep in the Pinelands of South Jersey. She was planning to relocate Annie and her caravan of ragtag rescues—horses and goats, dogs and cats, chickens and pigs—when Annie died, just two weeks before moving day. In her heartbreak, Laurie resolved to make her mother's dream her own. In 2001, she established the Funny Farm Animal Rescue outside Mays Landing, New Jersey. Today, she carries on Annie’s mission to save abused and neglected animals. Funny Farm is Laurie’s story: of promises kept, dreams fulfilled,

and animals lost and found. It's the story of Annie McNulty, who fled a nightmarish marriage with few skills, no money and no resources, dragging three kids behind her, and accumulating hundreds of cast-off animals on the way. And lastly, it's the story of the brave, incredible, and adorable animals that were rescued. Although there are some sad parts (as life always is), there are lots of laughs.

**Moo** Mar 15 2021 Following a family move to Maine, twelve-year-old Reena has no idea what to expect. She hopes it's going to be beaches, blueberries and all the lobster she can eat. She certainly doesn't expect to suddenly be put in charge of a menagerie of animals, belonging to the irascible Mrs Falala, who not only has a fast-wheeling pig, a secretive snake, but the most ornery cow she ever thought to meet. A wonderfully funny, moving story of one family's move to the country, and the challenges they face.

**Noisy Farm** Aug 27 2019 Lift-the-flap fun on the farm! Meet Sam the farm dog and join in with the action on the noisy farm. Visit the animals, lift the flaps and don't forget to call out the noises as you go! This new, enlarged paperback edition of Rod Campbell's ever-popular farm story is packed with bright, bold illustrations of favourite farm animals and their babies and there's an engaging text with lots of repetition too! Toddlers will love guessing which animal is under the flap and won't be able to resist joining in the story by calling out the sounds. A perfect

first storybook, and a great first books about animals.

*The Old Family Farm* Oct 29 2019 The fictional story of young George Shaffer from birth to his late teens, and of his family who live on a farm in the late 1800s.

Steering Toward Normal May 17 2021 Eighth grade is set to be a good year for Diggy Lawson: He's chosen a great calf to compete at the Minnesota State Fair, he'll see a lot of July, the girl he secretly likes at 4-H, and he and his dad Pop have big plans for April Fool's Day. But everything changes when classmate Wayne Graf's mother dies, which brings to light the secret that Pop is Wayne's father, too. Suddenly, Diggy has a half brother, who moves in and messes up his life. Wayne threatens Diggy's chances at the State Fair, horns in on his girl, and rattles his easy relationship with Pop. What started out great quickly turns into the worst year ever, filled with jealousy, fighting, and several incidents involving cow poop. But as the boys care for their steers, pull pranks, and watch too many B movies, they learn what it means to be brothers and change their concept of family as they slowly steer toward a new kind of normal. Praise for *Steering Toward Normal* "First-time author Petruck's account of country life is never dull as she depicts the strong work ethic of cattlemen and women, along with the universal conflicts between siblings." --Publishers Weekly "The plot is full of pranks and humorous situations but at its heart, it is a story about navigating the complicated and sometimes unexpected dynamics that come with being part of a

family. Petruck captures the setting of rural Minnesota well, creating a small town where it seems like nearly everyone is related or at the very least always knows everyone else's business." --VOYA Magazine "In Petruck's capable hands, raising a steer—caring for it, loving it, and eventually letting it go—becomes a keen metaphor for the loss of a loved one. Diggy is a perceptive narrator, but not unusually so for his age, and it's reassuring to see him sort out his tangled feelings." --  
Booklist

*Night Night, Farm* Nov 22 2021 Sweet farm animals in pajamas say, "Night night!" to their farm and to God as they get ready to go to sleep.

**Working the Land** Jun 25 2019 A farm woman herself, the author collects oral histories from more than 40 American women in six states, who recall their experiences as ranchers and farmers in the modernizing West during the last half of the 20th century.

**In a Pickle** Aug 08 2020 In 1955, Andy Meyer, a young farmer and manager of the pickle factory in Link Lake, Wisconsin, and his fellow farmers are confronted by the arrival of the powerful H. H. Harlow Pickle Company, which uses heavy-handed tactics to force the locals to do things their way, threatening the rural community and its way of life. Reprint.

**Bedtime on the Farm** Apr 03 2020 Easy-to-read rhyming words and soft pastel illustrations make

**Betting the Farm on a Drought** Sep 28 2019 A lively,

thought-provoking overview of climate change from the perspectives of people who are dealing with it on the ground. Climate change has become one of the most polarizing issues of our time. Extremists on the left regularly issue hyperbolic jeremiads about the impending destruction of the environment, while extremists on the right counter with crass, tortured denials. But out in the vast middle are ordinary people dealing with stronger storms and more intense droughts than they've ever known. This middle ground is the focus of *Betting the Farm on a Drought*, a lively, thought-provoking book that lays out the whole story of climate change—the science, the math, and most importantly, the human stories of people fighting both the climate and their own deeply held beliefs to find creative solutions to a host of environmental challenges. Seamus McGraw takes us on a trip along America's culturally fractured back roads and listens to farmers and ranchers and fishermen, many of them people who are not ideologically, politically, or in some cases even religiously inclined to believe in man-made global climate change. He shows us how they are already being affected and the risks they are already taking on a personal level to deal with extreme weather and its very real consequences for their livelihoods. McGraw also speaks to scientists and policymakers who are trying to harness that most renewable of American resources, a sense of hope and self-reliance that remains strong in the face of daunting challenges. By bringing

these voices together, *Betting the Farm on a Drought* ultimately becomes a model for how we all might have a pragmatic, reasoned conversation about our changing climate. “This title deserves a wide and varied readership; it has the power to change minds.” —Booklist “Seamus McGraw has created not just an important document regarding climate change and the future of our planet but a wonderful and truthful portrait of America. You feel like you’re on the road with him, cruising down little-traveled streets to meet fascinating characters whom you’d never see on Fox News or CNN. A terrific book.” —A. J. Baime, author of *White Lies: The Double Life of Walter F. White and America’s Darkest Secret*

“Effectively blending story, science, and context, this engaging, readable book will be invaluable for those studying or working on issues associated with climate change, especially those with a social science or policy focus.” —Choice

*The Cow Said Neigh!* Jul 31 2022 From New York Times bestseller Rory Feek, one half of the singing duo Joey+Rory, comes *The Cow Said Neigh!*, a fun and humorous tale of farm animals who wish they were like the other animals . . . which leads to a farm-full of confusion! Children will laugh out loud when the cow wants to run free like a horse, the sheep wants a snout like a pig, and the dog wants to be inside like the cat. *The Cow Said Neigh!* will teach children: Animal sounds with clever rhymes How to celebrate the unique strengths in

each of us This delightful book is perfect for: Reading out loud at home or in classrooms Ages 4-8

**Why We Farm** Nov 30 2019 A book for people who want to know the whole truth about life as a modern day farmer. Each chapter features a different farm, and includes sidebars with information relevant to aspiring farmers.

**Alice's Farm** Feb 11 2021 In Maryrose Wood's stunning middle-grade novel, *Alice's Farm*, a brave young rabbit must work with her natural predators to save her farmland home and secretly help the farm's earnest but incompetent new owners. When a new family moves into Prune Street Farm, Alice and the other cottontails are cautious. The new owners are from the city; the family and their dog are not at all what the rabbits expect, and soon Alice is making new friends and doing things no rabbit has done before. When she overhears a plan by a developer to run the family off and bulldoze the farm, Alice comes up with a plan, helped by the farmer's son, and other animals, including a majestic bald eagle. Here is a stunning celebration of life, the bitter and the sweet. Alice is some rabbit—a character readers will love for generations to come.

**Farm City** Mar 03 2020 Urban and rural collide in this wry, inspiring memoir of a woman who turned a vacant lot in downtown Oakland into a thriving farm Novella Carpenter loves cities—the culture, the crowds, the energy. At the same time, she can't shake the fact that she is the

daughter of two back-to-the-land hippies who taught her to love nature and eat vegetables. Ambivalent about repeating her parents' disastrous mistakes, yet drawn to the idea of backyard self-sufficiency, Carpenter decided that it might be possible to have it both ways: a homegrown vegetable plot as well as museums, bars, concerts, and a twenty-four-hour convenience mart mere minutes away. Especially when she moved to a ramshackle house in inner city Oakland and discovered a weed-choked, garbage-strewn abandoned lot next door. She closed her eyes and pictured heirloom tomatoes, a beehive, and a chicken coop. What started out as a few egg-laying chickens led to turkeys, geese, and ducks. Soon, some rabbits joined the fun, then two three-hundred-pound pigs. And no, these charming and eccentric animals weren't pets; she was a farmer, not a zookeeper. Novella was raising these animals for dinner. Novella Carpenter's corner of downtown Oakland is populated by unforgettable characters. Lana (anal spelled backward, she reminds us) runs a speakeasy across the street and refuses to hurt even a fly, let alone condone raising turkeys for Thanksgiving. Bobby, the homeless man who collects cars and car parts just outside the farm, is an invaluable neighborhood concierge. The turkeys, Harold and Maude, tend to escape on a daily basis to cavort with the prostitutes hanging around just off the highway nearby. Every day on this strange and beautiful farm, urban meets rural in the most surprising ways. For

anyone who has ever grown herbs on their windowsill, tomatoes on their fire escape, or obsessed over the offerings at the local farmers' market, Carpenter's story will capture your heart. And if you've ever considered leaving it all behind to become a farmer outside the city limits, or looked at the abandoned lot next door with a gleam in your eye, consider this both a cautionary tale and a full-throated call to action. *Farm City* is an unforgettably charming memoir, full of hilarious moments, fascinating farmers' tips, and a great deal of heart. It is also a moving meditation on urban life versus the natural world and what we have given up to live the way we do.

**Down on the Farm** Oct 10 2020 Simple rhyming text describes the sounds and activities of animals during a day on the farm.

**Of the Farm** Jun 29 2022 “A small masterpiece . . . With *Of the Farm*, John Updike has achieved a sureness of touch, a suppleness of style, and a subtlety of vision that is gained by few writers of fiction.”—The New York Times In this short novel, Joey Robinson, a thirty-five-year-old New Yorker, describes a visit he makes, with his second wife and eleven-year-old stepson, to the Pennsylvania farm where he grew up and where his aging mother now lives alone. For three days, a quartet of voices explores the air, making confessions, seeking alignments, quarreling, pleading, and pardoning. They are not entirely alone: ghosts (fathers, lovers, children) press

upon them, as do phantoms from the near future (nurses, lawyers, land developers). Of the Farm concerns the places people choose to live their lives, and the strategies they use to stand their ground.

**Animal Farm** May 29 2022 George Orwell's famous satire of the Soviet Union, in which "all animals are equal but some animals are more equal than others."

**Fresh from the Farm** Dec 12 2020 Outdoor Wood Projects features 24 projects for the backyard and garden that can be completed with basic DIY tooling, inexpensive materials and beginner skills, and that should take no more than a weekend to build. Projects are grouped into the following categories: planters, window boxes, trellises, and outdoor furniture. There is also a whole chapter devoted to projects built with bamboo. A number of the projects are constructed from reclaimed or recycled wood (such as an Adirondack chair made from wood pallets).

**The Beasts They Turned Away** Oct 22 2021

My First Farm Stories Nov 03 2022 A collection of five fun stories, full of farm adventures. Beautifully illustrated, they are perfect for sharing with young children. Includes "Just Over the Hill," "The Noisy, Noisy Farm," "The Big Barnyard Band," "Trouble on the Farm," and "Barnyard Bedtime."

**The Improbable Shepherd** Sep 20 2021 "The lessons of Sylvia's farm are not just applicable for those who dream of living the rural life. They're universally instructive, and

joyfully addictive.” —Joshua Kilmer-Purcell, *The Fabulous Beekman Boys* In this sequel to her popular first collection, Sylvia Jorrín returns with more vignettes — along with personal photos, artwork, and recipes--from her life on the farm to again inspire readers old and new. *The Improbable Shepherd* is a continuation of Sylvia's Farm, covering the past five years of her experiences on a rural sheep farm. This book brings readers closer to the world around them, and to recognize the simple, often hidden beauties it holds. Told in short vignettes and anecdotes, it is a journal of the continuing growth, persistence, and hope that each new day can bring. Nearly a decade after the publication of her first book, life on Sylvia Jorrin's farm continues to present our improbable shepherdess with new opportunities to appreciate the peace and unexpected joys that farm life brings despite too many tasks and too little time. *The Improbable Shepherd* immerses the reader fully in Sylvia's farm, echoing her own experiences living with the land and includes photos, and illustrations and Sylvia's personal recipes. Appealing to those who loved Sylvia's first book and want to return, as well as for all the newcomers who have yet to discover Sylvia's powerful prose and earnest message, *The Improbable Shepherd* will inspire you to follow your dreams, whatever they may be.

**Ant Farm** Jul 19 2021 In *Ant Farm*, former Harvard Lampoon president Simon Rich finds humor in some very surprising places. Armed with a sharp eye for the absurd

and an overwhelming sense of doom, Rich explores the ridiculousness of our everyday lives. The world, he concludes, is a hopelessly terrifying place—with endless comic potential. —If your girlfriend gives you some “love coupons” and then breaks up with you, are the coupons still valid? —What kind of performance pressure does an endangered male panda feel when his captors bring the last remaining female panda to his cage? —If murderers can get into heaven by accepting Jesus, just how awkward is it when they run into their victims? Join Simon Rich as he explores the extraordinary and hilarious desperation that resides in ordinary life, from cradle to grave.

"Hilarious." —Jon Stewart

**The Land Remembers** Jan 25 2022 The author recalls his childhood growing up on a farm in Wisconsin

**The Farm** May 05 2020 When Richard Benson was growing up he felt like •the village idiot with O•levels• •glowing school reports aren•t much help when you•re trying to help a sow give birth, or drive a power harrow in a straight line without getting half the hedgerow stuck in the tines. He left Yorkshire to work as a journalist in London, but returned when his dad called with the news that they were going to have to sell the family farm, and, in so doing, leave the home and livelihood that the Bensons had worked for generations. This is not only a moving personal account, but also one that reflects a profound change in rural life.

**Bet the Farm** Jan 31 2020 "Eloquent and detailed...It's

hard to have hope, but the organized observations and plans of Hoffman and people like her give me some. Read her book -- and listen." -- Jane Smiley, *The Washington Post*

In her late 40s, Beth Hoffman decided to upend her comfortable life as a professor and journalist to move to her husband's family ranch in Iowa--all for the dream of becoming a farmer. There was just one problem: money. Half of America's two million farms made less than \$300 in 2019, and many struggle just to stay afloat. *Bet the Farm* chronicles this struggle through Beth's eyes. She must contend with her father-in-law, who is reluctant to hand over control of the land. Growing oats is good for the environment but ends up being very bad for the wallet. And finding somewhere, in the midst of COVID-19, to slaughter grass finished beef is a nightmare. If Beth can't make it, how can farmers who confront racism, lack access to land, or don't have other jobs to fall back on hack it? *Bet the Farm* is a first-hand account of the perils of farming today and a personal exploration of more just and sustainable ways of producing food.

**Farm Boy** Jun 05 2020 The sequel to Michael Morpurgo's bestselling *War Horse!* *Farm Boy* is the heartwarming sequel to *War Horse*, the beloved novel that has been made into a hit play and a major motion picture. For years, Joey was a war horse, pulling ambulance carts and artillery through the battlefields of World War I. When he finally returned home to Albert and the farm, he was treated like a hero. But his

adventures had only just begun. Now, generations later, Albert's son loves to tell his own grandson stories about the remarkable horse. He tells him of Joey's feats in the war, and of the time when the family risked everything betting that Joey could win a daring race. As he tells the stories, he slowly reveals a shameful secret--a secret that he's kept to himself for years. This charming book speaks to the bond between generations, and captures the spirit of rural life and the love of horses.

*Starting & Running Your Own Small Farm Business* Mar 27 2022 Running your own small farm is demanding enough, but making it profitable presents a host of further challenges. In this business-savvy guide to farming on a small scale, Sarah Aubrey covers everything from financial plans and advertising budgets to web design and food service wholesalers. Learn how to isolate your target audience and craft artisanal products that will delight and amaze customers. With a solid business strategy in place, you can confidently turn your passion into a productive and profitable venture.

**On the Farm** Jul 27 2019 Horses munch on hay, piggies roll in the mud and dogs herd the cattle. Spend the day with the farm animals in this beloved barnyard book. Includes bookplate for personalization.

Sleep Tight Farm Oct 02 2022 A captivating exploration of how a family gets a farm ready for the snow of winter, Sleep Tight Farm lyrically connects each growing season to the preparations at the very end of the farm year. This

beautiful and informative book paints a fascinating picture of what winter means to the farm year and to the family that shares its seasons, from spring's new growth, summer's heat, and fall's bounty to winter's well-earned rest. All year long the farm has worked to shelter us, feed us, keep us warm, and now it's time to sleep. Plus, this is the fixed format version, which looks almost identical to the print edition.

*Farm from Home* Jan 01 2020 From New York style icon and fashion insider Amanda Brooks, a charming and inspiring meditation on life in her newly adopted home, a farm in the English countryside. In search of a quieter, simpler life away from the hustle of the city, style icon and longtime New Yorker Amanda Brooks moved with her family in 2012 from New York City to her husband's farm in England. Originally intended to be a yearlong creative sabbatical, Brooks's relocation became permanent as she discovered newfound personal and professional freedom, told here through a year's changing seasons. Creatively inspiring, warm and witty, and brimming with delicious recipes and entertaining how-tos, *Farm from Home* is a chronicle of the joys and challenges of a more focused way of living. For anyone who has longed for an escape from their hectic schedule, whether for a week, a year, or a lifetime, Brooks shares the unexpected satisfaction of slowing down, reconnecting with nature, and making the most of each day.

**Growing Up Country** Jun 17 2021 In *Growing Up*

Country: Memories of an Iowa Farm Girl, Carol Bodensteiner tells the stories of a happy childhood growing up on a family-owned dairy farm in the middle of America in the 1950s, a time when a family could make a good living on 180 acres.

*Wastelands* Dec 24 2021 "Beautifully written, impeccably researched, and told with the air of suspense that few writers can handle, *Wastelands* is a story I wish I had written." —From the Foreword by John Grisham The once idyllic coastal plain of North Carolina is home to a close-knit, rural community that for more than a generation has battled the polluting practices of large-scale farming taking place in its own backyard. After years of frustration and futility, an impassioned cadre of local residents, led by a team of intrepid and dedicated lawyers, filed a lawsuit against one of the world's most powerful companies—and, miraculously, they won. As vivid and fast-paced as a thriller, *Wastelands* takes us into the heart of a legal battle over the future of America's farmland and into the lives of the people who found the courage to fight. There is Elsie Herring, the most outspoken of the neighbors, who has endured racial slurs and the threat of a restraining order to tell the story of the waste raining down on her rooftop from the hog operation next door. There is Don Webb, a larger-than-life hog farmer turned grassroots crusader, and Rick Dove, a riverkeeper and erstwhile military judge who has pioneered the use of aerial photography to document the

scale of the pollution. There is Woodell McGowan, a quiet man whose quest to redeem his family's ancestral land encourages him to become a better neighbor, and Dr. Steve Wing, a groundbreaking epidemiologist whose work on the health effects of hog waste exposure translates the neighbors' stories into the argot of science. And there is Tom Butler, an environmental savant and hog industry insider whose whistleblowing testimony electrifies the jury. Fighting alongside them in the courtroom is Mona Lisa Wallace, who broke the gender barrier in her small southern town and built a storied legal career out of vanquishing corporate giants, and Mike Kaeske, whose trial skills are second to none. With journalistic rigor and a novelist's instinct for story, Corban Addison's *Wastelands* captures the inspiring struggle to bring a modern-day monopoly to its knees, to force a once-invincible corporation to change, and to preserve the rights—and restore the heritage—of a long-suffering community.

**Farm Stories** Feb 23 2022 Autobiographical sketches of my childhood and youth on a farm in Greensville County, Virginia

*The Story of an African Farm* Sep 08 2020

*The Sandman* Jan 13 2021 *The Sandman: More Farm Stories* includes 21 stories about life on the farm. These stories were written by William J. Hopkins, who read them to his own children to help them fall asleep.

**The Farmer's Son** Apr 27 2022 Farming has been in

John Connell's family for generations, but he never intended to follow in his father's footsteps. Until, one winter, after more than a decade away, he finds himself back on the farm.
