Vietnam Business Guide Mar 01 2020 Vietnam Business Guide GETTING STARTED IN TOMORROW'S MARKET TODAY Kimberly and Brian Vierra have written the most useful guide I have seen for foreigners who want to do business in Vietnam. I've spent years in the country, but I learned a lot from this book. It's full of practical information about unique aspects of Vietnam's business culture; registration, legal and tax issues; working with local business partners; living conditions in Vietnam and industry-specific opportunities. Interviews with experienced expatriates bring the issues to life. The Vierras are very frank about tough problems such as corruption, but they also convey a real affection for and understanding of this wonderful country. Raymond Burghardt Former US Ambassador to Vietnam; Director, Indochina Capital Corporation Vietnam Business Guide is the book that every seasoned Southeast Asia hand, bellied up to a Saigon bar, says he ought to write. Be thankful the Vierras made good on this common boast. Unstinting, pragmatic, penetrating and incredibly accessible, this highly readable volume may not keep you from the suffering the pain of starting up, but—if read closely, with a yellow highlighter—may very well spare you the agony of undue blood-letting. There will be blood, but Vietnam Business Guide will mitigate the flow. James Sullivan Managing Director, Mandarin Media; Author, National Geographic Vietnam and Over the Moat Vietnam Business Guide provides practical and balanced information about Vietnam for foreigners to plan their first steps to enter the market. What separate this book from others are its reality and practicality, brought about by both the authors who themselves are entrepreneurs having walked the same journey and the experts who contributed their experiences on different topics throughout the book. The business landscape in Vietnam is speedily changing. Some facts, by the time you read the book, may need updating but still it serves best in providing newcomers essential starting points—a should-read book for those who consider doing business in Vietnam! Vu Minh Tri General Director, Yahoo! Vietnam Co. Ltd. I believe that Vietnam Business Guide has been very objective and true to its purpose. It covers almost all relevant business and personal challenges that one would face in Vietnam, with the authors' firsthand experience shining through in their handling of culture issues and the Vietnamese mindset. Despite the constraints on size, it has sufficient details and a wealth of references to guide entrepreneurs and business executives in the right direction. Crisply written with interviews and real-life anecdotes, it makes for a very interesting read. A must-read book and an invaluable tool kit for anyone looking to Vietnam for business. Manish Dhawan Vice President — Coffee Division, Olam International Limited

My Saigon: The Local Guide to Ho Chi Minh City, Vietnam Mar 25 2022 Experience real Saigon: My Saigon 2022 Saigon (Ho Chi Minh City) offers bustling streets, amazing walks, too-hip-for-you cafes, rocking music clubs, luxurious salons, explosively delicious restaurants, and indoor cat zoos. Saigon is Vietnam. It's young, practical, crowded, and a little bit brash. Unfortunately, most visitors to Saigon are limited to the same boring “attractions”:
unimpressive buildings, overpriced markets, and War propaganda. Saigon has so much more to offer, but it's largely undocumented in English-language travel guides. My Saigon documents what knowledgeable Saigonese people know: the most amazing experiences, the cultural backstories, the practical go-to tips, the best coffee, the best food (far beyond pho), the coolest stuff, and hipsters, hipsters everywhere. Big-picture layout of the city. Basic history your tour guides aren't allowed to tell you. Don't stay in the backpacker cesspool, but don't overpay for a hotel. Get up and running with cheap mobile data in minutes, without visiting any phone stores. Pho isn't really a big thing in Saigon: it's a northern Vietnamese food. I'm sorry. But I'll show you the best pho in Saigon anyway. Delicious, authentic, moderately priced restaurants where my friends and I eat -- and that you won't find on Tripadvisor. Coffee. Did someone say coffee? I sure like coffee. Coffee. Yes. More coffee. Please. I'll tell you where. Hang out where Vietnamese people hang out, eat street snacks, listen to live music, whatever. Make cool friends, date guys or girls, whether you're a guy or a girl. Silly Saigonese slang, maybe to use with your new Vietnamese girlfriend or boyfriend. The lowdown on how Saigon's mafia runs the streets and who the various street characters are. Don't wear a hammer-and-sickle t-shirt in Saigon. Don't give money to beggars and street kids, because they're all owned by the mafia. Saigon taxis are convenient and trouble-free, if you know one simple trick to avoid scams. My Saigon includes tutorials on basic Vietnamese language, history (that Vietnamese tour guides are forbidden from mentioning), Saigon street characters, urban navigation and transportation, internet and phones, money and prices, avoiding scams, making friends, and meeting love interests. Saigon is a wealth of sights, sounds, smells, and experiences. My Saigon is a guide, a love confessional, an instruction manual, and an ode to the city. The Road Not Taken: Edward Lansdale and the American Tragedy in Vietnam Jun 23 2019 Finalist for the Pulitzer Prize (Biography) A New York Times bestseller, this “epic and elegant” biography (Wall Street Journal) profoundly recasts our understanding of the Vietnam War. Praised as a “superb scholarly achievement” (Foreign Policy), The Road Not Taken confirms Max Boot’s role as a “master chronicler” (Washington Times) of American military affairs. Through dozens of interviews and never-before-seen documents, Boot rescues Edward Lansdale (1908–1987) from historical ingomy to “restore a sense of proportion” to this “political Svengali, or ‘Lawrence of Asia’ ”(The New Yorker). Boot demonstrates how Lansdale, the man said to be the fictional model for Graham Greene’s The Quiet American, pioneered a “hearts and minds” diplomacy, first in the Philippines and then in Vietnam. Bringing a tragic complexity to Lansdale and a nuanced analysis to his visionary foreign policy, Boot suggests Vietnam could have been different had we only listened. With contemporary reverberations in Iraq, Afghanistan, and Syria, The Road Not Taken is a “judicious and absorbing” (New York Times Book Review) biography of lasting historical consequence.

Southern Vietnam Under the Reign of Minh M?ng (1820-1841) Feb 21 2022 This study of nineteenth-century Vietnam focuses on interactions between the Vietnamese king, Minh Mang, and the heterogeneous southern region of the country, which he sought to bring more firmly under state control through a series of polices intended to "Vietnamize" the populace and unite north and south.

Hometown Flavors Jun 03 2020 For 10+ years, Vi has captured her family's recipes, experimented with modern techniques, and taught cooking classes. Now, you can share in all that she's learned. Immerse yourself in both recipes and their history. Enjoy classics such as Banh Mi to modern Vietnamese-inspired cocktails like the Perilla Mojito. Read about Pho's evolution from the French Invasion through the Vietnam War. Learn what happened - and taste it for yourself - when the Spanish-Indian spice trade came to Vietnam, giving locals a chance to incorporate new spaces into their dishes. You'll get lost in both the cultural journey and the tastes of Vietnam with Vi's cookbook.

Regional Development in Vietnam Oct 08 2020

One Day as a Lion - True Stories of the Vietnam War Jul 25 2019 "One Day As A Lion" Is a work written by a McKinney, Texas, resident about local boys. But these subjects of the book form part of a tragic sphere. The 21 subjects, who each command a chapter, were all young men from Collin County who died serving their country in the Vietnam War. That was the hook for me. The truth is, I cracked open this book knowing little about the war. Perhaps this is an indictment of our education system, but I had never studied the Vietnam War, not in high school, not in college. We spent weeks learning about England in the 1500s, but not a single minute about one of the most tumultuous periods in this nation's history. So it was that I had a deeper mission in mind than just finding out about local heroes when I opened "One Day As A Lion." Foster snagged me in the first chapter. Ronnie Foster served in Vietnam, and it's obvious early on that there was a greater sense of purpose guiding his fingers across the keyboard in the creation of this work. A former Marine, Foster knows what he's talking about, and it's that inside knowledge that really helps move this book along. When Foster talks about life in the rice paddies, it's obvious he knows what he's talking about. But the Collin County men who lost their lives in country are at the heart of "One Day As A Lion." Young men like Royce Glenn Scoggins and Charles W. "Bill" Bryan left their homes and family in McKinney to willingly serve their country and never came home. Foster's purpose in allowing us to get to know these young men is to bring the war home and make it more real. "One Day As A Lion" is an unflinching look at war. It gets up close and personal and pulls no punches. If you're looking for a candy-coated collection of obituaries, look elsewhere. Nearly every chapter deals with the life and death of local soldiers. Their time in Vietnam is chronicled, as is the way each of them died. At times, the book is a hard read simply because the reader gets to know these young men as more than names at the beginning of a chapter, yet their fate is already cast. "One Day As A Lion" is an emotional roller coaster, but it is a must-read for anyone wanting to know more about what happened half a world away some 35 years ago. Well-written and factual without being overly so, "One Day As A Lion" is an entertaining and intriguing read. Oh, and what of the title? It comes from an old Tibetan proverb: "It is better to have lived one day as a lion than to live ten thousand years as a sheep." Fitting.

Fodor's See It Vietnam Nov 28 2019 Full-color photography and a host of practical information highlight this series of user-friendly travel guides, which also include descriptions of local sights, restaurants, hostels, shops, and nightspots; ratings of sites for value, historic interest, family friendly appeal, and other criteria; local itineraries and shopping suggestions; travel suggestions; transportation options; and colorful maps.

Divided Loyalties Aug 06 2020 This book explores the international leadership of the AFL-CIO, the UAW and UAW Local 600, the world's largest union local, and reveals that overall, working-class response to the Vietnam War mirrored that of the American society as a whole.

The Food of Vietnam Sep 26 2019 Join celebrity chef Luke Nguyen on a culinary and cultural journey through the country of his heritage to discover the people and food that have endeared Vietnam to the millions of international travellers who visit each year. Tying in with Luke's immensely popular SBS TV show, Luke Nguyen's Vietnam, this book follows his trip from southern Vietnam up to the north, through the marketplaces, backyards and kitchens of strangers and family alike. In addition to the stunning location photography and mouth-watering food shots, Luke's records of his experiences with the people he meets and the places he visits along the way pepper the pages of this book, breathing life into the classic recipes of Vietnam, from pho to banh mi and everything in between.

Savor more than 100 regional and family recipes—from Tamarind Broth with Beef and Water Spinach to Wok-tossed Crab in Sate Sauce—and enjoy vibrant, stunning full-color photographs bursting with color and textures and capturing the beauty of Vietnam, her people, and their deep connection to food.

Da Nang and Hoi An, Vietnam: The Complete Travel Guide to Da Nang and Hoi An, Vietnam Jan 11 2021 Da Nang and Hoi An: the complete travel guide, from a local expert Da Nang is Vietnam's up-and-coming city. It offers urban excitement, Vietnamese culture largely unaffected by tourism, and stunning natural beauty. But Da Nang remains largely unknown and poorly documented, even in Vietnamese-language guides. This is the local's guide to Da Nang and Hoi An that includes a knowledgeable Vietnamese person's take on the best to see, do, and yes, eat and drink in Da Nang and Hoi An. Hang out where the locals hang out, make friends and see the real side of Vietnam, stay at nice hotels for under \$20 a night, know what's overpriced, and most importantly, have an amazing time in Da Nang and Hoi An.

International Graduates Returning to Vietnam Jun 15 2021 This book examines the extent to which studying and living overseas enable returning graduates to enhance their professional work and contribute to community development. It assesses the transformative potential that returnees are assumed to have in terms of capabilities and skills acquired through an international education. This book is based on a research study on Vietnamese overseas graduates who have returned to Vietnam. It examines the complexity of competing aspirations, responsibilities, identities and cultural dynamics in these returnees' professional, intellectual and civic environments.

Eat Like a Local Hanoi Feb 09 2021 Are you excited about planning your next trip? Do you want an edible experience? Would you like some culinary guidance from a local? If you answered yes to any of these questions, then this Eat Like a Local book is for you. Eat Like a Local - Hanoi by author Linh Le offers the inside scoop on food in one of the most gastronomically diverse countries in southeast Asia. Culinary tourism is an import aspect of any travel experience. Food has the ability to tell you a story of a destination, its landscapes, and culture on a single plate. Most food guides tell you how to eat like a tourist. Although there is nothing wrong with that, as part of the Eat Like a Local series, this book will give you a food guide from someone who has lived at your next culinary destination. In these pages, you will discover advice on having a unique edible experience. This book will not tell you exact addresses or hours but instead will give you excitement and knowledge of food and drinks from a local that you may not find in other travel food guides. Eat like a local. Slow down, stay in one place, and get to know the food, people, and culture. By the time you finish this book, you will be eager and prepared to travel to your next culinary destination.

Moon Vietnam Aug 18 2021 Trek through lush rainforest, explore lively cities, and fall under the spell of a country on the rise with Moon Vietnam. Da Nang and Hoi An, Vietnam Apr 25 2022 Da Nang and Hoi An: the complete travel guide, from a local expert Da Nang is Vietnam's up-and-coming city. It offers urban excitement, Vietnamese culture largely unaffected by tourism, and stunning natural beauty. But Da Nang is in many ways still a small town, and it remains poorly documented, even in Vietnamese-language publications. This is the local's guide to Da Nang and Hoi An that includes a knowledgeable Vietnamese person's take on the best to see, do, and yes, eat and drink in Da Nang and Hoi An. Hang out where the locals hang out, make friends and see the real side of Vietnam, stay at nice hotels for under \$20 a night, know what's overpriced, and most importantly, have an amazing time in Da Nang and Hoi An.

Local Financial Development and Economic Growth in Vietnam Nov 08 2020

Vietnam Reconsidered Jan 29 2020 Very few of the many books about the Vietnam War fully address why the fighting was conducted in such a cruel manner, why it was prolonged far past its logical end, or what, ultimately, went wrong. American literature has been reluctant to emphasize the fact that between 3.5 and 5 million Southeast Asians died—many of them peasants—that the majority of the bombs dropped from American planes landed on South Vietnam—our ally and an impoverished agricultural society—or that the use of napalm and Agent Orange was, in reality, chemical warfare. Americans have been reluctant to acknowledge the damage done, but after 17 years of another, very similar conflict in Afghanistan, many Americans are beginning to wonder why our highly financed and supported military isn't more effective. This book strongly suggests that the lessons of Vietnam are relevant and worthy of being reconsidered as today's wars are debated. From Captain Kangaroo, Roy Rogers, and Walt Disney to space travel, muscle cars, and The Beatles, the generation that would be sent to fight in Vietnam was uniquely influenced by times that were a-changin'. Like square pegs in a round hole, the post-World War II baby boomers were brought up with values that made widespread social outcry against the horrors of the war predictable and necessary. Those influences and values have long been ignored, but this book revives a spirited discussion and analysis of the first war America lost.

Travel Like a Local - Map of Hue (Black and White Edition): The Most Essential Hue (Vietnam) Travel Map for Every Adventure Oct 27 2019 Get Ready For The Adventure Of A Lifetime! Even the Women Must Fight Apr 01 2020 Even the Women Must Fight "Karen Turner and Phan Thanh Hao have brought scholarship and compassion to a long-neglected aspect of the Vietnam War--the contributions of Vietnamese women to the independence struggle of their nation and the terrible price they paid for their courage and patriotism." --Neil Sheehan, author of A Bright Shining Lie: John Paul Vann and America in Vietnam. A searing chronicle of wartime experiences, Even the Women Must Fight probes the cultural legacy of North Vietnam's American War. Unflinching in its portrayal of hardship, valor, and personal sacrifice, this wrenching account is nothing short of a revelation, banishing in one bold stroke the familiar image of Vietnamese women as passive onlookers, war brides, prostitutes, or helpless refugees. "Karen Turner has given us a book that will change our understanding of the Vietnam War--and of Vietnam today. I found it enthralling." --Cynthia Enloe, author of The Morning After: * Sexual Politics at the End of the Cold War. "A first-rate book that will add substantially to our understanding of the human tragedy associated with one of the most bloody conflicts in recent history." --Robert Brigham, Professor of History, Vassar College.

Beyond Hanoi Jun 27 2022 This is the first book in English to examine local government and authority in Vietnam since the country's reunification in 1975. Beyond Hanoi addresses four questions: what local institutions and offices have authority to govern; who are the local officials and how do they get their positions; what do local governments do and whose interests do they serve; and what do residents say about local officials and governing institutions? Based on in-depth research, six chapters emphasize particular villages and districts in different parts of the country, one examines a ward in Hanoi, another focuses on Ho Chi Minh City, and one compares leaders in several provinces. To contextualize conditions today, two chapters analyse local government in Vietnam's long history. The opening chapter synthesizes the findings in this book with those in other studies by researchers inside and outside Vietnam.

VIETNAM FOR TRAVELERS. The Total Guide Oct 20 2021 The Best and Most Unique Vietnam Travel Guide Vietnam has become widely popular in recent years, with Hanoi consistently ranked among the world's top 10 destinations. The city is also organized in sections so you can better find your way around. So what are you waiting for? Pack your bags, get your map and let's get started! Just Click "Add To Cart Now"

Reforming Vietnamese Higher Education Nov 20 2021 This book deepens readers' conceptual understanding of and provides practical insights into Vietnam's higher education reforms. Globalisation has had profound impacts on higher education worldwide, creating transnational linkages and junctures, as well as disjunctures. At the same time, it has generated fluidities, hybridities and mobilities. Within the postcolonial context of Vietnam, it is imperative to identify the unique global traits that characterise the Vietnamese higher education system. The book focuses specifically on key aspects of culture and values that are decisive to the reform of Vietnamese higher education under the forces of globalisation. It critically examines how global forces have shaped and reshaped Vietnam's higher education landscape. At the same time, the book explores local demands on Vietnamese higher education, and deciphers how higher education institutions are responding to globalisation, internationalisation and local demands. Based on empirical research, theoretical approaches and the experiences of researchers from Vietnam and overseas, it addresses critical perspectives on the aspects fundamental to the reform of Vietnamese higher education and outlines viable paths for the future.

Rural-Urban Migration in Vietnam Jul 17 2021 This edited volume provides a comprehensive overview of rural-urban migration in Vietnam. It addresses a wide range of important topics, including Vietnam's household registration system (ho khau), migration trends, remittance behaviour and social networking. In addition, it examines migrants' earnings, their children's schooling, housing issues and their families' consumption behaviour in their destination cities. The book is mainly based on new data from the Australian National University's 'Study of Rural-Urban Migration in Vietnam with Insights from China and Indonesia' (VRUM) project, which identifies migrants from the large-scale, representative 'Vietnam Household Living Standards Survey' 2012 (VHLSS2012). In addition to the data from the VRUM project, the book draws on other widely used data sources to provide a comprehensive picture of rural-urban migrants in Vietnam. By highlighting the issues and challenges brought about by the large-scale rural-urban migration in Vietnam, the book helps researchers and policymakers more effectively formulate policies to respond to those challenges. Moreover, Vietnam's experience can serve as lessons learnt to other transitional/developing countries.

State-Society Interaction in Vietnam Aug 25 2019 This book, based on anthropological research on local irrigation management in the Mekong Delta, sheds light on state-society interactions at the interface between bureaucratic and informal areas. Data from ethnographic case studies was framed abductively by an institutional bricolage approach (Cleaver 2012) and state power (Goebel 2011). The study goes beyond an institutions process and individual bargaining to argue that local irrigation management is guided by the co-evolution between the state and local actors. It is the everyday dialogue that, in the co-existence of the hierarchical state management structure and the space of local flexibility, officially and unofficially refines the local practices. (Series: ZEF Development Studies, Vol. 29) [Subject: Politics, Environmental Studies, Asian Studies, Agriculture

Reforming Local Government in Vietnam May 03 2020 In the period of globalization, many country around the world has followed decentralization towards good governance and democracy. However, the impact of decentralization depends on how it is implemented. Vietnam has embarked on decentralization since 1990s; however, Vietnam is still facing with many issues such as corruption, red-tape, misuse of state powers. Significantly, under the single party policy and democratic centralism principle, Vietnam has to carry out decentralization by her own way. Recognizing the important role of local government in promoting effectiveness of decentralization, this book indicates the needs to reforming local government system in Vietnam towards good governance and democratic society based on the experiences of Japan.

Making Sense of the Vietnam Wars Sep 30 2022 Making sense of the wars for Vietnam has had a long history. The question "why Vietnam?" dominated American and Vietnamese political life for much of the length of the wars and has continued to be asked in the decades since they ended. This volume brings together the work of eleven scholars to examine the conceptual and methodological shifts that have marked the contested terrain of Vietnam War scholarship. Editors Marilyn Young and Mark Bradley's superb group of renowned contributors spans the generations--including those who were active during wartime, along with scholars conducting research in Vietnamese sources and uncovering new sources in the United States, former Soviet Union, China, and Eastern and Western Europe. Ranging in format from top-down reconsiderations of critical decision-making moments in Washington, Hanoi, and Saigon, to microhistories of the war that explore its meanings from the bottom up, these essays comprise the most up-to-date collection of scholarship on the controversial historiography of the Vietnam Wars.

Vietnamese Food Jan 23 2022 The first comprehensive book of Vietnamese street food translations. More than 500 Vietnamese street food dishes.

Food Anxiety in Globalising Vietnam Dec 30 2019 This open access book approaches the anxieties inherent in food consumption and production in Vietnam. The country's rapid and recent economic integration into global agro-food systems and consumer markets spurred a new quality of food safety concerns, health issues and distrust in food distribution networks that have become increasingly obscured. This edited volume further puts the eating body centre stage by following how gendered body norms, food taboos, power structures and social differentiation shape people's ambivalent relations with food. It uncovers Vietnam's trajectories of agricultural modernisation against which consumers and producers manoeuvre amongst food self-sufficiency, security and abundance. Food Anxiety in Globalising Vietnam is explicitly about 'dangerous' food – regarding its materiality and meaning. It provides social science perspectives on anxieties related to food and surrounding discourses that travel between the local and the global, the individual and society and into the body. Therefore, the book's lens of food anxiety matters for social theory and for understanding the embeddedness and discontinuities of food globalizations in Vietnam and beyond. Due to its rich empirical base, methodological approaches and thematic foci, it will appeal to scholars, practitioners and students alike.
